

# FLOAT YOUR BOAT LIFT

## THREE STANDARD SIZES

The size of system that's best for you depends on how wide your boat lift is between the inside of the vertical columns. If you're unsure, you can provide us with the make and model number of your lift.

**6** FT

Fits 96" Lifts

**\$1,899**

**7** FT

Fits 108" Lifts

**\$1,999**

**8** FT

Fits 120" Lifts

**\$2,099**
